SUBMISSION GUIDELINES

The CSCE '25 conference invites submissions of original research, review papers, and case studies with a length of 6 to 8 pages. Papers must be submitted in both Word and PDF formats via email to csce@cust.edu.pk. All submissions will undergo a peer review process, and authors are advised to strictly follow the provided template to avoid any inconvenience during the review. The conference enforces a strict plagiarism policy, requiring an overall similarity of less than 20% and a single-source similarity of less than 5%. Authors must also submit signed Declaration Forms in the prescribed format along with their final submissions before registration. The paper template and copyright form can be accessed on the conference website (csce.cust.edu.pk). Guidelines for oral and poster presentations will be communicated through the paper acceptance email. All accepted papers will be published in the ISBN proceedings.
