

6th Conference on Sustainability in Civil Engineering

CALL FOR PAPERS

CONFERENCE TRACKS

Track - 01: Green Construction Materials and Structures

Construction Materials
Composite Materials
Modern Materials
Structural Material Behavior
Structural Analysis
Structural Design
Earthquake Engineering
Engineering Dynamics

Track - 02: Construction and Project Management for Sustainable Development

Building Information Modelling (BIM)
Project Management for Sustainable Development
Sustainability in Construction Projects
Construction Safety
Construction Contracts
Smart and Sustainable Construction
Construction Waste Management
IT applications in Construction

Track - 03: Resilient Infrastructure and Environment

Environmental Engineering
Environmental Sciences
Irrigation Engineering
Water Resource Engg. & Management
Highway & Traffic Engineering
Urban & Transportation Planning
Geotechnical Engineering
Geological Engineering

Important Dates

Full Length Paper Submission..... May 02, 2024
Camera Ready Submission..... May 30, 2024
Acceptance Notification..... June 13, 2024
Registration Deadline..... June 27, 2024

Registration Fee

Authors.....PKR 5000/-
Student Author.....PKR 4000/-
Additional Paper.....PKR 2000/-
Participants..... USD 20/-

Note: There will be an additional fee if the respected authors opt for their papers to be included in SCOPUS INDEXED Proceedings.

Advisory Committee

Patron

Dr. Mansoor Ahmed
(Vice-Chancellor CUST)

General Advisor

Dr. Imtiaz Ahmed Taj
(Dean Faculty of Engineering)

Principle Advisor

Dr. Ishtiaq Hassan
(Head of CE Department)

Organizing Committee

Dr. Majid Ali
(Chair)

Dr. Muazzam Ghous Sohail
(Member)

Engr. Iqbal Ahmad
(Member)

Engr. M. Waqas Malik
(Member)

Engr. Minhas Shah
(Secretary)

Overview CSCE

After successful conduct of 5th Conference on Sustainability in Civil Engineering in 2023, the Department of Civil Engineering at Capital University of Science and Technology, Islamabad, Pakistan is pleased to announce its 6th Conference on Sustainability in Civil Engineering 2024 on August 1st, 2024. The conference aims to provide a shared platform for professionals from academia, industry and scholars to share and discuss their current research works and future ideas to support the development of a sustainable culture in Civil Engineering field.

Submission Guidelines

CSCE '24 welcomes submission of Original Research, Review Papers and Case Studies with a length limit of 3-4 pages. Papers both in word and pdf format should be emailed at csce@cust.edu.pk. All the papers will undergo peer review process. It is advised to strictly follow the template to avoid any inconvenience to the respected authors during review process. Plagiarism policy (i.e. overall and single source similarities less than 20% and 5%, respectively) should be followed strictly. Paper template, copyright form and registration form are available at conference website i.e. csce.cust.edu.pk. The oral & poster presentation guidelines will be communicated through paper acceptance email. All accepted papers will either be included in GOOGLE SCHOLAR INDEXED local CUST CSCE proceedings (with no additional fee) having ISBN or SCOPUS INDEXED proceedings (with an additional fee) as per the choice of the respected authors.
