Overview CSCE

After successful conduct of 5th Conference on Sustainability in Civil Engineering in 2023, the Department of Civil Engineering at Capital University of Science and Technology, Islamabad, Pakistan is pleased to announce its 6th Conference on Sustainability in Civil Engineering 2024 on August 1st, 2024. The conference aims to provide a shared platform for professionals from academia, industry and scholars to share and discuss their current research works and future ideas to support the development of a sustainable culture in Civil Engineering field.

Submission Guidelines

CSCE '24 welcomes submission of Original Research, Review Papers and Case Studies with a length limit of 3-4 pages. Papers both in word and pdf format should be emailed at csce@cust.edu.pk. All the papers will undergo peer review process. It is advised to strictly follow the template to avoid any inconvenience to the respected authors during review process. Plagiarism policy (i.e. overall and single source similarities less than 20% and 5%, respectively) should be followed strictly. Paper template, copyright form and registration form are available at conference website i.e. csce.cust.edu.pk. The oral & poster presentation guidelines will be communicated through paper acceptance email. All accepted papers will either be included in GOOGLE SCHOLAR INDEXED local CUST CSCE proceedings (with no additional fee) having ISBN or SCOPUS INDEXED proceedings (subject to approval) (with an additional fee) as per the choice of the respected authors.
